## Travel Reservations

- Air, Car & Hotel Booking** – Travelocity, the leading online travel Web site, provides reservations capabilities for 95 percent of all airline seats sold, more than 47,000 hotels and more than 50 car rental companies.
- Travelocity best fare finder** offers multiple ways to search for economy class travel.

Our "flexible dates" option searches for the lowest fares offered and shows you dates those fares are available. Simply tell us where you want to go. We'll search for the lowest fares offered and present available dates in an interactive calendar from which you can select your preferred travel dates.

Our "specific dates" - best-priced trips option searches for the lowest fares offered for specific travel dates you enter. Simply tell us where you want to go and the dates you need to travel. We'll search for the lowest fares offered on those specific dates and present best priced trips.

Our "specific dates" - choose flights option searches for the lowest fares offered for specific travel dates and times you enter. Simply tell us where you want to go and the dates and times you need to travel. We'll search all flights, let you build your own itinerary and then present the total price, plus offer up to 3 low-cost alternatives.

After you initiate a search, you can use the **Modify Your Search** module to change your dates, times and/or connections. Then we will search again for the lowest fares.

- Deals** – Exclusive offers, partner specials and fantastic bargains on flights, cars, hotels, vacations and cruises!
- Consolidator Fares** – Research deep discounts on travel around the world.
- Airline Seat Maps** – While booking your flight you can select specific seats for your flights with online seat maps.
- Hotel Maps and Photos** – See available hotels mapped to your choice of landmarks or locations (Currently for U.S. & Canada only). Plus photos and detailed information on most available hotels.
- 24-Hour Customer Service** – Specially trained online travel professionals are available around the clock. Check our [Customer Service FAQs](#) for prompt online help.

## Vacations & Cruises

---

- Vacation Finder** – Search for Vacation and Cruise packages by telling us how much you want to spend, where you want to go, how long you want to stay and what kind of a package you are looking for.
- Cruise Finder** – Search for Cruises by destination, price, length and more.
- Cruise Deals** – Sail away with fantastic cruise savings to the destinations you love.
- Vacation Deals** – Check here for great vacation bargains and special Bonus offers.

## Travel Tools

[View Sample Maps](#)[Mapping for your Business](#)[Find Nearby Places](#)[Pocket Streets](#)

<b>Leading geographic data</b>	<ul style="list-style-type: none"><li>• Over 6.3 million miles of streets &amp; highways in the U.S. and Canada.</li><li>• Get the nation's best turn restriction information: known one-way roads, dead-ends and detours.</li><li>• Based on premier map databases from Geographic Data Technologies, Inc. (GDT), Compusearch and Navigation Technologies.</li></ul>
<b>Update Construction Information</b>	Download the latest road construction information from the Internet.
<b>Innovative Find Technology</b>	The Find feature lets users quickly enter a street address, place or point of interest across the U.S. or Canada. Smart Find recognizes phonetically spelled names (i.e. Fenix) and will provide a list of places that 'sound' similar (i.e. Phoenix)
<b>Points of Interest</b>	With over 600,000 points of interest, you can locate restaurants, hotels, gas stations, theaters, rest areas and more!

## Customize Your Maps

<b>Snap Routing</b>	Gives users unparalleled ease of use and flexibility in planning and changing routes to easily add stopovers or detours to their routes.
<b>Optimize Routes</b>	Create the most efficient route. Automatically reorder your stops to minimize the travel time between your start and end point.
<b>Drawing Toolbar</b>	Drawing tools allow users to personalize maps to suit their needs. Add callouts, shapes and more to explain complex routes or hard-to-find addresses, point out landmarks, and add other details for friends, family or customers.
<b>New Drawing Tools</b>	Personalize your map with radius circles and ovals.
<b>Highlighter and Distance Tool</b>	Illustrate the most efficient route to your destination simply by using the mouse to point and click your exact route.
<b>Customize Output</b>	Print out your maps and take them with you. Choose from five map styles including strip maps with directions, turn-by-turn maps, directions only, map overview and highlighted places. Or download maps to your Windows CE (2.0 or later) PC companion.
